

**SUMMARY OF EXAMINER INTERVIEW**

Applicants would like to thank Examiner Nguyen for granting an interview on December 3, 2009, and for considering proposed amendments and arguments regarding deficiencies in the prior art, particularly Johnson, and clarification with respect to Applicants' specification.

During the interview, Applicants discussed potential amendments to incorporate allowable subject matter into former independent claim 1. Former independent claim 1 has been canceled and new independent claim 46, from which all dependents depend, has been added to incorporate allowable subject matter as discussed with Examiner Nguyen.
